**DESCRIPTION**  
A beautiful and unique design that is both modern and timeless, Meandering Lines resembles the gentle and natural flow found in nature, bringing a calming and serene atmosphere to any room, appropriate for indoors and out.

Perennials' Flatwoven artisanal rugs feature exceptional designs, subtle color blending and an unbelievably soft feel. They include binding on the horizontal edges and the selvages are left visible to show the craftsmanship of each handwoven rug. These rugs are ideal for use indoors or out.
